

FRONT LINE LEADERSHIP TRAIN-THE-TRAINER CERTIFICATION

Offered as a one, two, or three-day training on-site, or one-day training virtually. Includes full facilitation guides, PowerPoint slides, watermarked copies of participant materials, assessments, and activity kit (for those conducting classroom training).

ON-SITE TTT

One-day session - Includes full overview of the program plus high-level review of specific activities.

Two-day session - Includes full overview of the program, high-level review of specific activities, and teachback observations and feedback.

Three-day session - Includes full overview of the program, high-level review of specific activities, and teachback observations and feedback. Day three includes adult learning principles and platform skill training for new trainers.

VIRTUAL TTT

Two half-day sessions - Includes full overview of the program plus high-level review of specific activities.
